Description

- A unique opportunity to learn on one of the most recognized golf courses in the world! Wolf Creek is a beautiful desert landscaped golf course located in the hills of southern Nevada. Wolf Creek is known for its appearances on multiple different EA sports video games, many VR and other online golf games. This course is truly a video game designed in real life with over 290ft of elevation changes throughout the property. With its unique landscape it opens and creates a great opportunity to learn a complexed irrigation system, micro manage many different climates throughout the golf course, managing bentgrass putting surfaces through desert climates, oversee wall to wall in late summer, and many other great challenges to overcome at a once in a life time golf course.
- As a key member of the property's golf course maintenance team, the Assistant Superintendent reports directly to the Lead Assistant Golf Course Superintendent and Golf Course Superintendent He or She will assist with the day-to-day oversight of the maintenance and agronomic practices of the golf course, adjacent grounds, including but not limited to the clubhouse landscaping and maintenance complex.
- **Please join our team for many upcoming large projects as we plan a new multi-million-dollar Irrigation design and install and more.**

About

Wolf Creek Golf Club strives to deliver the ***"ULTIMATE GOLF EXPERIENCE"*** to each and every guest. As you are called to the first tee and look down towards the green, you notice a one of a kind canvas. The detail of the striped emerald green fairway below, lined with brilliant white sand bunkers, you instantly know that Wolf Creek is a special place. This is only a small sample of what is yet to come. As you navigate the elevation drops and wandering canyons, you wonder how they create this miraculous golf course, each hole unto its own. After finishing all eighteen holes, you are hard pressed to come up with just one signature hole and more often than not amazed with the picturesque beauty of the course rather than the score you shot.

Since opening in 2000, golfers from all over the world have traveled to Wolf Creek Golf Club in Mesquite, Nevada to experience a one of a kind golf adventure. With regularity, Wolf Creek is mentioned as a bucket list course with other courses such as Pebble Beach, Black Wolf Run, and Bandon Dunes. Many major golf publications have ranked Wolf Creek as one of the top public courses in the country. From 2008-2015, Wolf Creek has been a feature course on EA Sports Tiger Woods and the new Rory McIlroy PGA Tour video game. In 2011, Wolf Creek won the prestigious Fan Choice Award naming Wolf Creek the favorite golf course to play by golf fans worldwide.

We realize it takes so much more than a beautiful, challenging golf course to be considered the Ultimate Golf Experience. It takes a committed staff dedicated to the small details and the anticipation of your needs. The staff at Wolf Creek is proud to bring you the ***"ULTIMATE GOLF EXPERIENCE."***
